PRESIDENCY COLLEGE

ABOUT PRESIDENCY

Presidency College Berhampur Odisha has remarkably moved on the path of success since its inception on 1st November 1998. The time needed education has been prioritized and value based teaching technology diffused; to have worthy education with transformed knowledge & wisdom. Presidency students experienced many differences in the Presidency platform and become confident to build their future. Addition of Motivational drivers & training based system of learning from the beginning of the session; made them comfort to have the professional skills with pleasure. This could accumulate ample goodwill of students, parents and corporate professionals about the college. Today this Presidency college is one of the premier institution of the nation and created a visible landmark in the educational movement. The most sought Computer Science course under the title of MCA; creates a landmark of success for its uniqueness in implementation module. The course structure is purely on time based requirement present in the job market & in present business climate. The curriculum & its diffusion strategy has been systematically monitored from personal grooming to skill acquisition ; to suit the demand & supply gap. Next strategic implementation is its training based technology of knowledge diffusion.
